BUS The 507 from Waterloo and Victoria stations stops at the end of Great Peter Street. At Waterloo take exit 3 opposite platform 12 and turn left for the bus stop. There are a number of bus routes that stop nearby Victoria Street.

CAR There is no parking immediately adjacent to the office, but ample parking within easy walking distance. Two nearby NCP locations at Horseferry Road and Rochester Row offer parking at reasonable rates for London.

TRAIN Victoria and Charing Cross are the two closest mainline stations. The District and Circle underground lines can be taken from these stations to St James's Park, the nearest underground station to the BQF. From Euston and Waterloo mainline stations take the Northern line and change at Embankment; from there take the District or Circle line to St James's Park.
