Excellent Organisations doing Excellent Things

Often, people and organisations doing amazing work to support their communities fail to get the recognition they deserve. This is a free-to-enter awards category and opens up the UK Excellence Awards to people who would not have the opportunity to be recognised for their excellence. We want you to help us to find individuals and organisations who do excellent things to make a positive contribution on society by nominating people who are doing great things. Nominations can be made by anyone – we are sure you all know someone who contributes in amazing ways. Let's make sure we take the opportunity to shout loud about the people in our lives that make a difference everyday!
